Additional Benefit Units shall be available only as capacity of the District's facilities permit, as determined by the District's Engineer and Board of Directors. Subscriptions for Benefit Units shall be given preference and priority in order to which received by the Board of Directors. The Board may refuse the subscription for a Benefit Unit in favor of a particular tract of land located within the District, or impose special conditions on granting the same if in the judgment of the Board, the granting of said subscription and the furnishing of water pursuant thereto, would impair the service to other water users in that locality or be uneconomical, unfeasible or place an undue burden on the District.

No transfer will be approved unless all charges against the Benefit Unit are paid. All transfers when approved shall be recorded in the books of the District. In the event the ownership of the land has changed and no request for transfer was initiated by the Benefit Unit owner, then the District shall consider the transfer of the Benefit Unit to the new owner upon proof of ownership of the land.

Section 5. Each Benefit Unit shall entitle the owner to not exceed one line from the District's water system. Each line shall serve not to exceed one residence or business establishment together with the necessary and usual out buildings.

The Board shall provide for the procedure to be followed before water service is terminated.

Section 7. A Benefit Unit shall be subject to forfeiture any time that any minimum monthly charge or charge for metered water remains unpaid for six months or longer after becoming first due and payable. Forfeiture shall occur only in accordance with the following procedure:

Such notice shall state that the Benefit Unit is subject to forfeiture, the reason, therefore, the date, time and place of the next regular meeting of the Board of Directors, and that the unit shall be subject to forfeiture by action of the Board of Directors at its next regular meeting unless the Benefit Unit owner appears and shows cause why the Benefit Unit should not be forfeited.
